The birth

of a child is a memorable experience. At the Montfort Hospital Family Birthing Centre, the multidisciplinary team (comprised of registered nurses, registered nursing assistants, doctors, midwives, lactation consultants, respiratory therapists, social workers, clerks, nurse's aides and housekeeping staff) understands parents' need to experience this event in a manner of their choosing. The Family Birthing Centre strives to offer health care and family services that meet your individual needs, while respecting your cultural values.

Every year,

thousands of babies are born at the Montfort Hospital. We invite you to celebrate your baby's birth by joining our Newborn Club with a \$100 donation to create an everlasting memory of the most important day in your child's life.

We will

print the name and birth date of your baby on a brightly coloured footprint and place it on our Newborn Club Wall in the Family Birthing Centre. You will also receive a certificate suitable for framing. This is an ideal gift for parents, grandparents, relatives and friends.

Please

return your completed form to:
